BIO

Drawing on a vast array of influences from House to Disco, Techno to Dub and Breakbeat to Funk, NOLAN remains a forward thinking & innovative producer & DJ. His studio prowess has landed him record deals with some of the most respected & influential labels around the world including Mobilee, Bedrock, Stil vor Talent, LNOE, Defected, Faith, Circus Recordings, Crosstown Rebels, Renaissance & Get Physical Music.

An engineer by day NOLAN also mixes & masters other producers projects in his Brighton studio. Often helping with extra layers of production and arrangement whilst adding the finishing touches to tracks for artists signed to Hot Creations, Afterlife, Defected, Repopulate Mars, Drumcode and Anjunadeep to name drop a few!

As a massive advocate of the collaboration NOLAN has worked on records with the likes of Idris Elba, Davide Squillace, Just Her, Sébastien Léger, Sasha, Serge Santiago, Luke Brancaccio and esteemed vocalists including Robert Owens, JAW, Forrest, Mr V., Joi Cardwell, Rachel Adedeji, Sam Obernik, Amber Jolene & Ursula Rucker garnering over 20 millions plays on YouTube... to book Nolan to DJ at your event details below:
